Summary

Computer Science graduate (2025) with strong experience in AI/ML engineering and modern web development. Skilled in building scalable frontend applications and deploying machine learning models into production. Hands-on with LLMs, NLP pipelines, REST APIs, and performance-optimized UIs.

Technical Skills

Languages: Python, TypeScript, JavaScript

Frontend: React.js, HTML/CSS, Tailwind, Responsive UI, Component Design

AI / ML: NumPy, Pandas, Scikit-Learn, TensorFlow, PyTorch, T5, GPT, OpenCV, YOLO

ML Domains: NLP, Text Summarization, LLM Fine-Tuning, Computer Vision

Backend / Deployment: Flask, FastAPI, REST APIs, Hugging Face

Tools: Git/GitHub, PyCharm, VS Code, Agile

Projects

NewsDigest — AI Text Summarization Platform

Python, T5, Flask

- Fine-tuned T5 transformer for abstractive summarization of long-form articles.
- Designed REST APIs enabling low-latency inference for real-time usage.
- Optimized preprocessing and inference pipeline for production deployment.

AI Writing Assistant

TypeScript, Vite, NLP

- Built real-time grammar, tone, and style correction tool using NLP models.
- Implemented fast, responsive UI with instant feedback and clean UX.

ZEN Personal AI Knowledge Assistant

TypeScript, AI/ML, RAG Pipeline, React)

- Built with Vite + React + TypeScript, optimized for speed, and designed for simplicity using RAG Pipeline for intelligent document analysis.

Retail Recommendation System

Python, Scikit-Learn

- Implemented hybrid recommendation engine using collaborative filtering and k-NN.
- Delivered personalized recommendations using behavioral and rule-based logic.

Experience

Software Intern — ISPR, Rawalpindi

2024

- Worked in a high-discipline environment supporting operational systems.
- Collaborated cross-functionally while following strict execution protocols.

Software Intern — SCO, Rawalpindi

2023

- Assisted in maintaining production systems using core CS principles.
- Gained exposure to system reliability and operational best practices.

Education

Bachelor of Computer Science

2021–2025

National University of Modern Languages (NUML)

Intermediate in Computer Science (ICS)

2018–2020

FG.Sir Syed College, Rawalpindi

Certifications

IBM SkillBuild — AI/ML, Data Fundamentals

HP LIFE — Data Science, Agile Management
